

"Genesys Works is an organization that does exactly what one would hope -- it connects promising young people without opportunities to organizations with opportunities who are looking for promising young people. In doing so, it cuts off the poverty cycle and energizes the American workforce."
- Genesys Works Corporate Partner

LOCATION TBD | AUGUST 20, 2026

Draft Day is Genesys Works' signature end-of-summer event, where we launch our Young Professionals into year-long internships. Think NFL Draft with a corporate twist!

We can't wait to celebrate the accomplishments of our Young Professionals! This event is attended by over 1,000 Genesys Works stakeholders, including more than 50 corporate partner teams, students, families, school champions, community partners, funders, vendor partners, and volunteers. Join us for a morning of excitement, celebration, and possibility.

Through sponsorship of Draft Day, you'll demonstrate your commitment to youth in their pursuit of a professional career and a more robust local workforce. We hope you'll join us to ignite the spark within and kick off an exciting program year ahead!

*For me, **Genesys Works** isn't just about building a resume. It's about carrying the weight of my family's sacrifices and turning them into something meaningful. It's about showing my community — especially other Hmong youth — that we belong in these spaces. That with support and hard work, we can step into rooms we never imagined ourselves in.*
