PLEASE JOIN US!

On Friday, October 2nd, Genesys Works Houston will host the *eighth annual Ambassadors Luncheon at the Royal Sonesta Houston Galleria*. This signature event brings together Houston's corporate, academic, and philanthropic leaders for a shared purpose to invest in the next generation of talent.

At Genesys Works Houston, we believe that access to opportunity has the power to transform futures and strengthen our communities. For more than twenty-three years, our work has been rooted in fostering pathways, connecting under-resourced high school students to meaningful career opportunities by equipping them with the skills, experiences, and professional networks needed to succeed in college and career.

The Ambassadors Luncheon is more than a celebration of this work it's a moment to accelerate it. As our impact continues to grow across Houston, so does the need for partners who are ready to open doors where it matters most. Your support helps more students step into internships, gain real-world experience, and begin to envision what's possible for their future.

This year's program will feature **Fostering Pathways: Voices in Action**, spotlighting powerful stories from Genesys Works alumni and executives, offering a firsthand look at how access can shape a student's trajectory. Together, these voices will highlight the importance of workforce development and the role we all play in building a stronger, more inclusive talent pipeline for Houston.

By becoming a sponsor, you're doing more than supporting an event, you're investing in students and helping businesses cultivate the next generation of diverse talent.

We invite you to review the enclosed sponsorship opportunities and join Genesys Works Houston in creating a more inclusive future, one internship at a time.

Sincerely,

SHACHELLA JAMES
Event Chair

NIKKI PAYNE
Event Co-Chair

RAFAEL ALVAREZ
Event Co-Chair
