

TEE TIME WITH TECH EXECES

AN H&M EVENT

"For those of us in the local tech community, whether at a solutions provider, an enterprise organization, or a start-up, we can all help make a difference. Together, we'll help students develop the skills they need to change not only their lives but the future of our entire state."

- Bo Gebbie, President of Evolving Solutions

OFFICE GOLF - BLOOMINGTON | APRIL 14, 2026

Save the date for our second annual event: **Tee Time with Tech Execs!** Tech Vendors and CIOs join together for an afternoon of friendly competition through virtual golf, darts, and billiards in a relaxed professional environment with food and drinks. In addition to the onsite interaction with over a dozen tech executives, there will be an auction for additional experiences and meetings with other tech leaders. All proceeds raised will go toward supporting Genesys Works' Young Professionals in paid business and tech internships with our corporate partners.

Hosted by GWTC Board Members Tammylynne Jonas and Francois Charette.
